"Claes Rosenvelt entered the cloth business in New York, and was married in 1682. He accumulated a fortune. He then changed his name to Nicholas Roosevelt. Of his four sons, Isaac died young. Nicholas married Sarah Solomons. Jacobus married Catherina Hardenburg.

The Roosevelts were not a fighting but a peace-loving people, devoted to trade. Isaac became a capitalist. He founded the Bank of New York in 1790."

The first Roosevelt came to America in 1649. His name was Claes Rosenfelt. He was a Jew. Nicholas, the son of Claes was the ancestor of both Franklin and Theodore. He married a Jewish girl, named Kunst, in 1682. Nicholas had a son named Jacobus Rosenfeld..." (The Corvallis Gazette Times of Corballis, Oregon).

**Sarah Delano**

"The President's father married Sarah Delano; and it become clear. Schmalix (genealogist) writes: 'In the seventh generation we see the mother of Franklin Delano Roosevelt as being of Jewish descent.

The Delanos are descendants of Italian or Spanish Jewish family; Dilano, Dilan, Dillano. The Jew Delano drafted an agreement with the West Indies Co., in 1657 regarding the colonization of the island of Curacao. About this the directors of the West Indies Co., had correspondence with the Governor of New Holland.

## Churchill's mother was Jewish

Winston Churchill was the spoiled son of an aristocratic father and an American mother who doted on him. As a young man he was a dilettante who developed an early taste for expensive clothes, imported cigars and old brandy.

At 26 he entered parliament.

In the company of members of the English aristocracy and establishment Winston's 'night on the town' often ended at fringe homosexual private shows in which every depravity known to man was indulged.

## Jenny Jacobson

Churchill's mother was Jenny Jerome. Her father was involved in theatre investment and changed his name from Jacobson to Jerome.

'Cunning, no doubt, came to Churchill in the Jewish genes transmitted by his mother Lady Randolph Churchill, née Jenny Jacobson/Jerome.' Moshe Kohn, *Jerusalem Post*

In England at the beginning of the 1900s commenting that there were very few English aristocrat families left that hadn't intermarried with aspiring Jews. It was said that, when they visited the Continent, Europeans were surprised to see Jewish looking persons with English titles and accents.

Stalin was a Jewish Moscow coffee house radical

In the Georgian language "shvili" means son of, or son, as in Johnson. "Djuga" means Jew. Therefore Djugashvili means Jewson.

So Joe Stalin's real name, before he changed it, was Joe Jewison. It gets better, his name was Joseph David Djugashvili, a typical Jewish name. During his revolutionary days he changed his name to "Kochba", the leader of the Jews during one of the anti-Roman uprisings of the Jews. Russians don't change their names. Georgians don't change their names. Jews change their names.

## Stalin's wives

*Rosa Kaganovich in 1913*

**Stalin had three wives, all of them Jewesses.**

The first was Ekaterina Svanidze who bore him one son, Jacob. His second wife was Kadya Allevijah. She bore him a son Vassili, and a daughter Svetlana. His second wife died in mysterious circumstances, either by committing suicide, or murdered by Stalin. His third wife was Rosa Kaganovich, the sister of Lazar Kaganovich, who was the head of Soviet industry.

Stalin's daughter (who in 1967 fled to the USA) then married Lazar's son Mihail i.e. her step-mother's nephew. Svetlana Stalin had a total of four husbands, three of them Jewish.

Stalin's vice-president Molotov was also married to a Jewess, whose brother, Sam Karp, runs an export business in Connecticut. Just to complicate things even more, the Molotov's (half-Jewish) daughter also called Svetlana was engaged to be married to Stalin's son Vassili.

**Eisenhower father was Jewish**

Eisenhower's West Point Military Academy graduating class yearbook, published in 1915, Eisenhower is identified as a "terrible Swedish Jew."

In 1943, Washington not only transferred Col. Eisenhower to Europe but promoted him over more than 30 more experienced senior officers to five star general and placed him in charge of all the US forces in Europe.

Wherever Eisenhower went during his military career, Eisenhower's Jewish background and secondary manifesting behavior was a concern to his fellow officers.

During World War II when Col. Eisenhower was working for Gen. Douglas MacArthur in the South Pacific, MacArthur protested to his superiors in Washington (DC) that Eisenhower was incompetent and that he did not want Eisenhower on his staff.

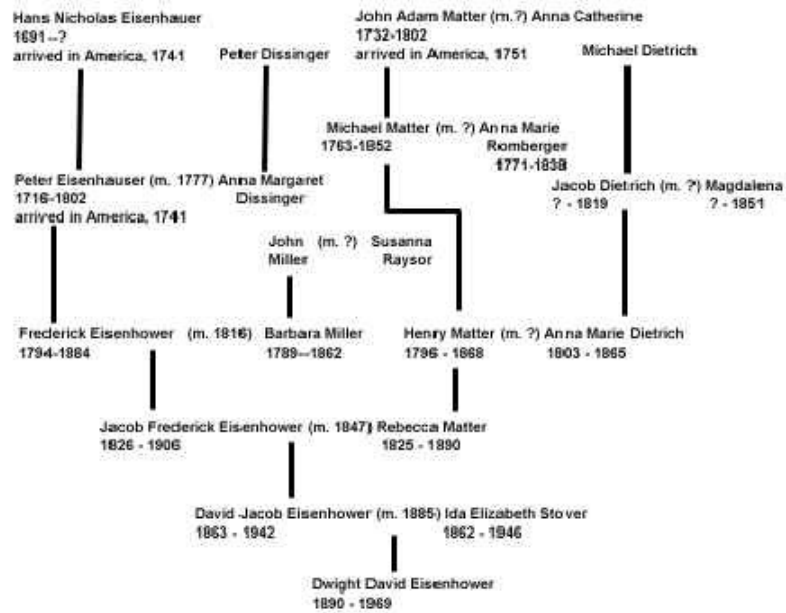

Eisenhower was responsible for " [Operation Keelhaul](#) " - where allied forces rounded over two million anti-Communists who escaped Stalin and turned them over to Russian forces. Part of the Yalta Agreement between the Big Three — Stalin, Roosevelt, and Churchill — involved the repatriation of Russians to their respective homelands where they were either immediately executed or sent to die in the Gulag.

**In 1945 Eisenhower threw 1.7 million Germans in open fields which killed approx 1.2 million**
